Multi-Carrier Shipping Software Developer Sponsoring Galloway Captiva Triathlon

FORT MYERS, FL – September 14, 2012 - Today, Harvey Software, Inc. announced it will be a sponsor of this year's Galloway Captiva Triathlon, being held on Saturday, September 15, 2012 and Sunday, September 16, 2012 at South Seas Island Resort on Captiva Island on Florida's Gulf coast. The Saturday USA Triathlon sanctioned event is a sprint-length Triathlon, including a 440 yard swim in the Gulf of Mexico, a 10 mile bike ride along the paved island roads of Captiva and a 5K run along the Gulf, Redfish Pass and the South Seas golf course. There will also be a Kids' Triathlon on Saturday, September 15th. Captiva Island, with its great facilities, terrific weather, and beautiful scenery, is an ideal location for this event and this year's event is already sold out.

"Harvey Software is a long-time supporter of cycling, including being named a Bicycle Friendly Business by the League of American Bicyclists. So this upcoming Triathlon is a very exciting event," said Mr. Bert Hamilton, President and CEO of Harvey Software, Inc. "As shown by this event already being sold out, participation in Tri-Sports events is significant and the Tri-Sports business is growing. A sample of companies in the Tri-Sports industry using our Computerized Parcel System (CPS™) multi-carrier shipping system includes: Cobian, Crank Sports, Discount Surgical Stockings, Excel Sports, Health Center For Better Living, Health Freedom Nutrition, Isthmus Sailboards, Midwest Sports, NatureCity, Niagara Cycle Works, Nutrabio.Com, NutritionGeeks.Com, Pangea Vegan Products, Sports Avenue, Muscle & Strength, The Institute For Healthy Living, Total Nutrition Inc., TriSports.Com, and Yukon Fitness Equipment," Mr. Hamilton explained. "These companies supply Tri-Sports participants with everything from equipment to apparel to nutrition. For these and other companies, our CPS shipping software is a critical link in their success, allowing them to deliver their products to their customers fast, efficiently and at the best price," continued Mr. Hamilton. "We are thrilled to sponsor this year's Triathlon, and our goal is simple. We Make Logistics Easy for the Tri-Sport Industry," Mr. Hamilton concluded.

About Harvey Software, Inc.

Harvey Software is an established, leading developer of globally ready, multi-carrier shipping software solutions, providing businesses with shipping solutions since 1983. Harvey Software's premium shipping solution, the Computerized Parcel System (CPS™) increases profits, boosts domestic and international shipping efficiency, reduces shipping expenses and eliminates the inefficiencies of single carrier software systems. CPS is a FedEx® Compatible Solution, is UPS Ready®, USPS® certified and works with Internet Postage. CPS can be purchased, downloaded, installed, and supported all over the Internet.
